Aagard Presidency

Steve Mulder has accepted the position of President of The Aagard Group. Steve joined the company as Vice President of Operations in August of 2010.

Steve brings a wealth of experience and knowledge in the industry and we are excited about his new role within the company.

ABOUT AAGARD

The Aagard Group, LLC, designs, engineers and manufactures automated packaging machinery in Alexandria, Minnesota. Our work force of creative, highly skilled and experienced employees establishes a workplace that allows us to bring to you imaginative, intuitive and efficient machinery of the highest quality. Aagard designs meet and adapt to your evolving equipment requirements.

Aagard is redefining the standard in Case Packers, Cartoners, Slevvers, Retort Loading/Unloading, Combination Equipment, Flexible Packaging, Knock Down, Wrap Around, Trays, and Shelf Ready Retail.
